Ascension Roundtable #3, Can Youth Groups Actually Work? 36 minutes

<https://media.ascensionpress.com/podcast/ar3/>

If you have ever led a small group, you've probably experienced at least one of the following—blank stares, the teen who never stops talking, more than a few awkward moments, and hopefully a few groundbreaking ones. In this episode, Allen and Colin, seasoned experts when it comes to youth ministry, help you get past these problems and make small groups work for your youth group.
