

Spring 2025 KY AAP DEI Task Force Newsletter

Please join us for an inspiring presentation by award winning photographer Rick Guidotti, founder of Positive Exposure. This presentation is to *celebrate the installation of a permanent photography exhibition in the U of L Kornhauser Health Sciences library of local participants, celebrating the beauty in difference and the humanity of medicine.*

Through photography, film, and advocacy, Positive Exposure promotes a more inclusive and compassionate world for individuals with unique genetic, physical, behavioral, and intellectual differences. **This session offers a powerful lens into their experiences, amplifying their “voices” through innovative multimedia.**

Discover how Positive Exposure has become a global movement, celebrating the beauty and diversity of the human experience.

Sponsored by HSC Office of Health Equity and Engagement, UofL SoM Department of Pediatrics, and Kornhauser Library.

In-person or virtual options available. Register via the QR Code below

Please visit the [Kornhauser Health Sciences library](#) starting 4/9/25 and view the permanent exhibition!

Library hours: doors unlocked 8:30AM - 6 pm Monday through Friday
